

The floor plan illustrates a symmetrical residential layout. It features three identical B1 apartment units, each containing a Master Bedroom (主卧), Living Room (客厅), Kitchen (厨房), Dining Room (餐厅), and two secondary bedrooms (次卧). The units are separated by a central corridor with stairs and elevators. To the right of the units is a common area with additional stairs and elevators, labeled with 'C1' and 'C2'. The plan includes detailed dimensions for room sizes and overall building measurements.

This architectural floor plan illustrates a multi-unit residential building layout. The plan is organized into three main sections, each featuring a central staircase and elevator core. The units are labeled as B1, B3, and C3 types. Key rooms include bedrooms (主卧, 次卧), living areas (客厅), dining areas (餐厅), kitchens (厨房), bathrooms (卫生间), and balconies (阳台). Dimensions are provided for various spaces, such as 3600, 4200, and 3000 for room widths, and 17,400 for the central circulation area. The plan also shows outdoor features like flower beds (花池) and a 2% sloped terrace (露台). The overall dimensions of the building are 61900 by 11900.
